**Reimbursement Rates:** Powder: \$14.00 per pound. Primers: \$1.00 each.  
 Maximum number of reimbursable rounds for each gun at an event shall be based on the number of battles participated in at that event by that gun, and calculated according to the following table:

6 pdr Whitworth	6	10
3" Smooth Bore	6	10
6 pdr (3.67" bore)	10	9
3" rifled bore	10	8
12 pdr Napoleon	24	7

Should a gun fire fewer than the maximum number of rounds permitted in a given battle, those rounds permitted but not yet fired may be fired in a subsequent battle at the same event and they will be reimbursed.
